DEVELOPER SUPPORT

Keith is a very motivated learner and is willing to put in the work needed to learn what is needed for the job ... He is a talented developer who anyone would be lucky to have on their team.
- Morgan Porritt

Keith is a reliable worker, a great teammate, and a skilled developer. He is willing to dive into complex systems in order to understand how each component works together ... He has a passion for learning that is truly inspiring... I cannot recommend him highly enough.
- Eric Rowles
